

9 Weeks Project:

Every 9 weeks students are to create a report on a Visual Artist of their choice. Report should be a minimum of one page long typed and turned in at deadline. Students are to write in their own words the significance of what they learned about the artist. Any student caught plagiarizing will receive an automatic zero and disciplinary actions will be taken according to district policy.

In addition to Report, student will also have to include a drawing no smaller than 8 ½" X 11" inches showing an incorporation of the Artist Style. This drawing is to be their own, not an exact replica of the Artist work. Deadlines will be given to students in advance and no late work will be accepted. This project will be 20 percent of their grade.
